

Olá, Michael Nakashima

Desenvolvedor Front-End, 31, anos, Maranhense no sangue e Mineiro de coração, comecei minha carreira desenvolvendo aplicações no já distante Delphi 6 e naquela época já sabia que não era minha vibe. Desenvolvendo aplicações utilizando Flash / ActionScript para uma empresa pioneira no ramo de Ensino a Distância, foi a porta de entrada para a área de Front End, onde atuei à partir de 2012 convertendo cursos em Flash para HTML / CSS / Javascript, desde então em uma eterna **lua de mel** com essas tecnologias. Hoje, sou responsável por duas Squads como Scrum Master mas o coração sempre será da área de Interface.

About

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.
